All fees and contribution are on a individual member basis

Membership in the club and the contribution to fixed costs is obligatory for anyone flying.

The "-25 years old" category is determined based on age as of January 1 of the year.

25% discount of 40 hours of flights invoiced to a member's account.

Contribution to fixed costs (FAQ available)

- The "daily" or "annual" option is applicable to each member and must be selected at the time of registration.

- The choice between the options "ACIS, privately-chartered-external, autonomous" depends on the glider you usually fly.

Giving rides to passengers : any passenger who flies more than once in a two-seater must become a member of the club.

Details are available on the "passenger sheet."
