**No FFVP license will be delivered without an ACIS membership**

#### HANGAR

see "HANGAR" price list

(0) All membership and participatory fees are per individual member.

(1) Age - same as FFVP "license".

(2) Choice is final and must be made at the initial 2016 registration time.

(3) 12 consecutive days, same days as obligatory FFVP "license" or annual FFVP "license".

(4) Negative account must be settled prior to new registration.

(5)

Each member may choose between "annual" and "limited period" participation in management cost (PMC) rates, excepting members disposing of annual aircraft storage space in club hangars. Motor-glider owners choosing "annual" membership must pay "annual" PMC rate.

(6) Price > 20H and > 40H could be slightly different due to the calculation process used by the software.

(7) See details on Excerpt from Board meeting "flights on two-seat gliders"

(8) Exclusive of tows, and discovery flights.

(12) Prices are applied bracket to bracket. The 20 H limit is counted as the 2016 total of invoiced glider's hours.

(13) A check flight is an administrative act validated and recorded by the instructor in the pilot's flight logbook. It doesn't include  
- any other DGA qualifications such as BPP test, instructor qualification, instructor renewal  
- the annual check flight imposed by ACIS rules

(15) Immediately following a 12-day or a 6-days period

(17) Due by each occupant of a two-seater. (Except Discovery and instructions flights)
